

**FALLEN LEAF LAKE CSD  
FIRE DEPARTMENT / GENERAL MANAGER  
REPORT  
May 28, 2016**

**RESPONSES**

- The fire department has not responded to any alarm during April.

**TRAINING**

- Tuesday night training will begin May 31, 2016.

**VOLUNTEER PERSONNEL / SEASONAL PERSONNEL**

- The fire department is operating in summer mode with our staff of seasonal firefighters and resident recruits assigned to shift operations.
- The Resident Recruit Program is continuing with most of our previous recruits returning and we have a group of new recruits from this year's fire academy. I am very pleased with the quality of our recruits and what they offer to the district.

**APPARATUS / EQUIPMENT**

- All apparatus is operational.

**LOCAL AGENCIES / AGREEMENTS**

- All local area agency agreements are in place.

**PROJECTS AND PREVENTION**

- The Fire Department will be conducting Defensible Space Inspection throughout the summer.
- I am currently working with the CCFD Patch Funding Project. We may receive patch funding from El Dorado County this year. We are requesting funding for staffing. If the project is approved, funding will be available for staffing one firefighter/ paramedic and one firefighter/emt per shift. The county is considering a percentage for ongoing funding for the operation of the fire department.

**STORE / MARINA**

- The store and marina are open.

Sincerely,

**Gary D. Gerren, Fire Chief/GM
