**TRAINING**

- Training has continued since May and the fire department personnel have completed 659 hours of training since May. We have a total of 23 personnel, which include Paid, Interns and Volunteers.

**VOLUNTEER PERSONNEL / SEASONAL PERSONNEL**

- The fire department is operational with Captains and Firefighter / Paramedic on duty.

**APPARATUS / EQUIPMENT**

- Fallen Leaf Lake Fire Department is operational and providing Advanced Life Support (ALS).

**LOCAL AGENCIES / AGREEMENTS**

- All local area agency agreements are in place

**PROJECTS AND PREVENTION**

- The remount project for Brush 9 is underway.
- The Fallen Leaf Firefighters are continuing to do fire pre plans and PRC 4291 defensible space inspection. Please do your part for defensible space around your cabin. Any questions concerning defensible space or evacuation information contact the fire station at 530-542-1343, Chief Gerren at 530-544-3300 or go to our website [www.flcsd.org](http://www.flcsd.org) under fire department heading Safety Checklist, which will provide you with valuable information.
- The Fallen Leaf Lake Fire Department BBQ and Wine Tasting were wonderful events this year. I want to thank all who attended and donated Wine and food for our events. We raised approximately \$6000 from the BBQ and approximately \$9500 from the Wine Tasting.

**STORE / MARINA**

- The Store and Marina will close the last day of September this year.
