- The Volunteer BBQ and Boat Races were a great success this July. Approximately 19 Boats were entered in the races and we had a wonderful turn out for the BBQ. The Volunteers raised approximately \$5000.

**Thanks to everyone who supported the BBQ event this year and a special thanks the staff at Stanford Sierra Camp for the use of the beach and all the staff that help out during and prior to the event. I also want thank all the individuals that donated time, money and materials to assist the volunteers in the fundraising effort.**

- I want to thank Sandra Stauffer and Patty Working for the great job they do each year with our Wine Tasting Event. The support of the Community with donations of Wine and items for our silent auction is truly amazing.
