

**FALLEN LEAF LAKE CSD
FIRE DEPARTMENT / GENERAL MANAGER
REPORT
March 1, 2014**

RESPONSES

- During January the fire department responded to one automatic fire alarm incident. Both Lake Valley Fire and South Lake Tahoe Fire responded with automatic aid to the incident. This was a false alarm from power failure.

TRAINING

- Training will continue at the opening of next season.

VOLUNTEER PERSONNEL / SEASONAL PERSONNEL

- The fire department has eight volunteers on our winter roster.

APPARATUS / EQUIPMENT

- We are operating in winter mode and Engine 9, Brush 9, and Brush 91 are operational.

LOCAL AGENCIES / AGGREMENTS

- All agreements are in place.

PROJECTS AND PREVENTION

- The El Dorado County Board of Supervisors on September 24, 2013 approved and expenditure of 1.7 million over two years to provide assistance to fire departments in El Dorado County. I requested \$250,000 for the Fallen Leaf Fire Department to assist in the purchase of a new fire boat. The BOS approved this contingent upon the local districts passing resolution in support of El Dorado County finding a long term solution for assistance in providing additional funding for fire departments located within the county. The County is continuing to collect the resolution from all Fire Departments in the county and they are requesting operational information from each fire department. I have followed up with the committee that is conducting the research for the long range solution for funding.
- The CalOES surplus engine program, we applied to early this year is approved and we have signed our letter of commitment for the purchase of the Engine. CalOES is currently inspecting the apparatus to make sure all components are functioning properly. We inspected the apparatus in January and I advised CalOES we would accept the apparatus after they completed a mechanical inspection. They are currently replacing a foam

pump. Chief Hart advised he will be putting the paperwork together for the purchase and transfer to FLLFD in the next couple of weeks.

- **The Fallen Leaf Fire Department was inspected by ISO on August 20, 2013. The ISO inspector has advised that the data has been sent to the home office and we should hear something after the 1st of January 2014. I have not received any information from ISO to date.**

STORE / MARINA

- **The Store and Marina are closed for the winter season.**

Sincerely,

**Gary D. Gerren, Fire Chief/GM
Fallen Leaf Lake CSD
Fire Department**
