1. We have assessed the parking areas for the following:
 - To determine how many spaces would be available
 - Determine handicap parking locations
 - Re-line parking spaces for signage
 - Numbering parking spaces
2. We are researching a location for the parking attendant kiosk and cost.
3. Fallen Leaf Road Parking along shoulder of Store
 - We have over the past 3 years used temporary “No Parking” signs on the east side of the road.
 - Our recommendation would be to continue this process and also place temporary “No Parking” signs on the west side of the road.
4. Parking Fees
 - It is our recommendation to charge a fee of \$10 to \$12 per car
 - With no time limit, but parking is on available for the Store, Café, Marina and Community Building use only.
 - Residences will be issued a parking pass upon request, along with an application to be submitted seasonally.
 - Parking lot fee times will be from 7:00 am to 5:00 pm – attendant on duty
 - Allotted number of spaces will be available for local resident parking for Store, Café, Marina and Community Building use only.
5. Employee Parking
 - Will remain consistent with current operations
