

**FALLEN LEAF LAKE CSD  
FIRE DEPARTMENT / GENERAL MANAGER / OPERATIONS  
REPORT  
December 3, 2022**

**RESPONSES**

- 48 Responses in our district since we have opened in May, which included responses to multiple Strike Team request throughout the state.

**TRAINING**

- Training is on hold during the winter months

**VOLUNTEER PERSONNEL / SEASONAL PERSONNEL**

- Defensible Space personnel worked throughout the district cleaning and removing slash from residential areas this season. They also assist in the chipping of removed materials. The Defensible Space personnel will continue this next season in 2023 to improve our district.

**APPARATUS / EQUIPMENT**

- Fallen Leaf Lake Fire Department apparatus is in service and operational. The new Fire Boat is operational and stationed at Stanford Sierra Camp during winter operations.

**LOCAL AGENCIES / AGREEMENTS**

- All local area agency agreements for auto aid and mutual aid are in place. We have an Area Operations Procedure agreement with the USFS completed.

**PROJECTS AND PREVENTION**

- We have requested funding through the USFS for a grant to continue our work on defensible space in the district. We will be notified after the 1<sup>st</sup> of the year if we are a recipient.
- Our contracted Engineer has completed the study for the slip and gangway replacement in which we have received partial funding from California Parks. He will be publishing and requesting bids for the project.
- Our contracted Engineer will be producing a report on the repair and upgrade to the Launch Ramp within the next couple of months.
- USFS is doing pile burns on Angora Ridge and has plans to start pile burns in the Fallen Leaf area as weather permits.
- The Defensible Space Program was a great success with the removal of slash and debris from our community. This program was funded through the work of our personnel on Strike Teams allowing the department to give back

to the community. We spend approximately \$94,000 in payroll cost and \$25,000 in contractual cost for chipping.

- This year our Strike Team assignment was slower than the previous two years. Our projected income from fire season 2022 is \$909,000. With a net after expenses of \$425,000.
