

**FALLEN LEAF LAKE CSD
FIRE DEPARTMENT / GENERAL MANAGER / OPERATIONS
REPORT
July 1, 2023**

RESPONSES

- 7 Response since opening in May.

TRAINING

- Training is being conducted daily on shift. 3 personnel attended a Driver 1A course conducted by Lassen Community College held in Markleeville.

VOLUNTEER PERSONNEL / SEASONAL PERSONNEL

- Defensible Space personnel are on duty during the week and are removing broken limbs and accessing tree damage in and around district property. The defensible space program is offering the same services that we provided last season to the community.

APPARATUS / EQUIPMENT

- Fallen Leaf Lake Fire Department apparatus is in service and operational. Fire Boat 9 and 91 are operational.

LOCAL AGENCIES / AGREEMENTS

- All local area agency agreements for auto aid and mutual aid are in place.

PROJECTS AND PREVENTION

- Our new docks are installed. HCI dock builders supplied the docks and John Rich with Fallen Leaf Landing removed the old docks and installed the new marina system.
- We are working with the USFS on a funding opportunity for the 2024 season, which may provide funding for our defensible space projects and allow us to do more fuel reduction and pile burns on USFS property. We look forward to working with the USFS on this project.
- We are preparing to apply for two grants through Cal-Parks for the replacement of the launch ramp. Our contracted Engineer will be producing a report on the repair and upgrade to the Launch Ramp within the next months. We must file the request with engineered drawings and cost projection. The district understands the need for improvements to our launch ramp and I have been working on funding sources.
- On June 19th through the 23rd we worked with the USFS on a burn project to remove burn piles on a 26.4-acre tract coming into Fallen Leaf Lake. This project was a great success. We achieved a 90 plus percent consumption of the burn poles through out the project. We will continue to work with the

USFS on future burn projects around Fallen Leaf Basin. Photos are available on the USFS Facebook site below.

- <https://www.facebook.com/LakeTahoeUSFS/posts/pfbid0kyLceFkbbPckjc8HCFGoxBr1GeFDQZwWne3yVA8c8pUj17sYGypqU3dsrXt4Ga35l>
- The annual BBQ and Boat Races will be held at Baby Beach today. Please join us for great food and fun. Starting around 1:30 pm the cardboard boat races, then BBQ will follow the boat Races at around 3:30 pm.
- The 4th of July Boat Parade will be setting up on Tuesday the 4th around 3:30 pm with a 4 pm start near the Marina breakwater. We will go down the east side and return on the west side of the lake. Please join us to celebrate the 4th of July.
- The annual Wine Tasting will be held at the fire station on July 29th. The event begins at 5:00 pm.
- Liberty Electric is currently working on design details and schedule for the replacements of poles on Fallen Leaf Rd. Liberty Electric will provide updates as they become available.

CSD BOARD MEETINGS

- The CSD upcoming board meetings September 2, 2023, and December 2, 2023. These Meetings will be at the Community Building and via Teleconference. The December 2, 2023 meeting will be held via Teleconference.

STORE / MARINA

- The Store, Cafe and Marina are operational.

Gary D. Gerren, Fire Chief/GM
