

**FALLEN LEAF LAKE CSD
FIRE DEPARTMENT / GENERAL MANAGER / OPERATIONS
REPORT
September 2, 2023**

RESPONSES

- 30 Response inside the district and 2 Strike Team in the State of California since opening in May.

TRAINING

- Training is being conducted daily on shift. We are focusing on structural fire training. We have inserted more structural fire training to help maintain or improve our ISO rating of 2Y/2X

VOLUNTEER PERSONNEL / SEASONAL PERSONNEL

- Defensible Space personnel are on duty during the week. The defensible space program is offering the same services that we provided last season to the community. The Defensible space program will continue this season through the end of September.

APPARATUS / EQUIPMENT

- Fallen Leaf Lake Fire Department apparatus is in service and operational. Fire Boat 9 and 91 are operational. UTV's 9 and 91 are operational and have been an asset to the department and the community.

LOCAL AGENCIES / AGREEMENTS

- All local area agency agreements for auto aid and mutual aid are in place.

PROJECTS AND PREVENTION

- We are working with the USFS on a funding opportunity for the 2024 season, which may provide funding for our defensible space projects and allow us to do more fuel reduction and pile burns on USFS property. We look forward to working with the USFS on this project.
- We are preparing to apply for two grants through Cal-Parks for the replacement of the launch ramp and replacement of the older marina docks, slips, and gangways on the east side of the launch ramp. The district understands the need for improvements to our launch ramp and I have been working on funding sources.
- We will continue to work with the USFS on future burn projects around Fallen Leaf Basin. The Fire Department will be working with the USFS in the beginning of the 2024 season to accomplish more pile and understory burns.

- The annual Wine Tasting, BBQ and Boat Races were a great success. I want to thank everyone involved for bringing these events together. Thanks to everyone who attended and supported Fallen Leaf Lake CSD Fire Department. .
- I am very pleased to report that our new Fouts Four PNR 1500 GPM Mini Pumper/Type 6 has been received. The hose and equipment have arrived, and B-93 will be in service soon.
- We have also received our 2 new UTV's. They are in service and have provided a new operational ability to our department.
- Thanks to the support of El Dorado County Board of Supervisors, they have provided funding for both the UTV's, the new Mini Pumper and a new Zoll EMS Monitor for our Advanced Life Support program. The funding was provided through the Transient Occupancy Taz.

CSD BOARD MEETINGS

- The CSD upcoming board meetings December 2, 2023. This Meeting will be via Teleconference.

STORE / MARINA

- The Store, Cafe and Marina are operational. Luke is doing a fabulous job running the store, café, and marina. Donnie the marina manager has a good crew working to keep everyone safe and providing great service to the community members and visitors to our lake.
